## T-Top and Deck Top Vinyl Railing

Safety is job number one, and ActiveYards® railing systems offer peace of mind protection. Traditional and contemporary designs bring beauty and functionality to innovative, code-compliant rail styles. Our diverse selection of products offers an abundance of different options to choose from. Consider our T-Top vinyl handrail, which offers a popular look found on many deck and porch settings. T-top rail kits are offered with square, turned or black round aluminum balusters. Want something more distinctive? Select the versatile Deck Top railing. It will add charm to any outdoor setting by allowing you to transform a rail to your unique personality. Simply mount the deck board onto the top of the rail. Ideal for hosting outdoor gatherings, a deck board will allow you to set a glass, plate or accessory on top of the board for added space and convenience. Choose a Deck Top railing kit with square or turned, or black round aluminum balusters. Easy-to-install T-Top and Deck Top products are offered in White, Earth and Sahara colors to complement any outdoor environment. Brackets are included to give your rail a flawless appearance.

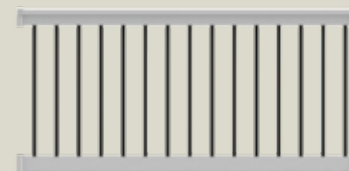

## Vinyl Railing

Square Balusters

Turned Balusters

Round Aluminum Balusters

## Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted railing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price.

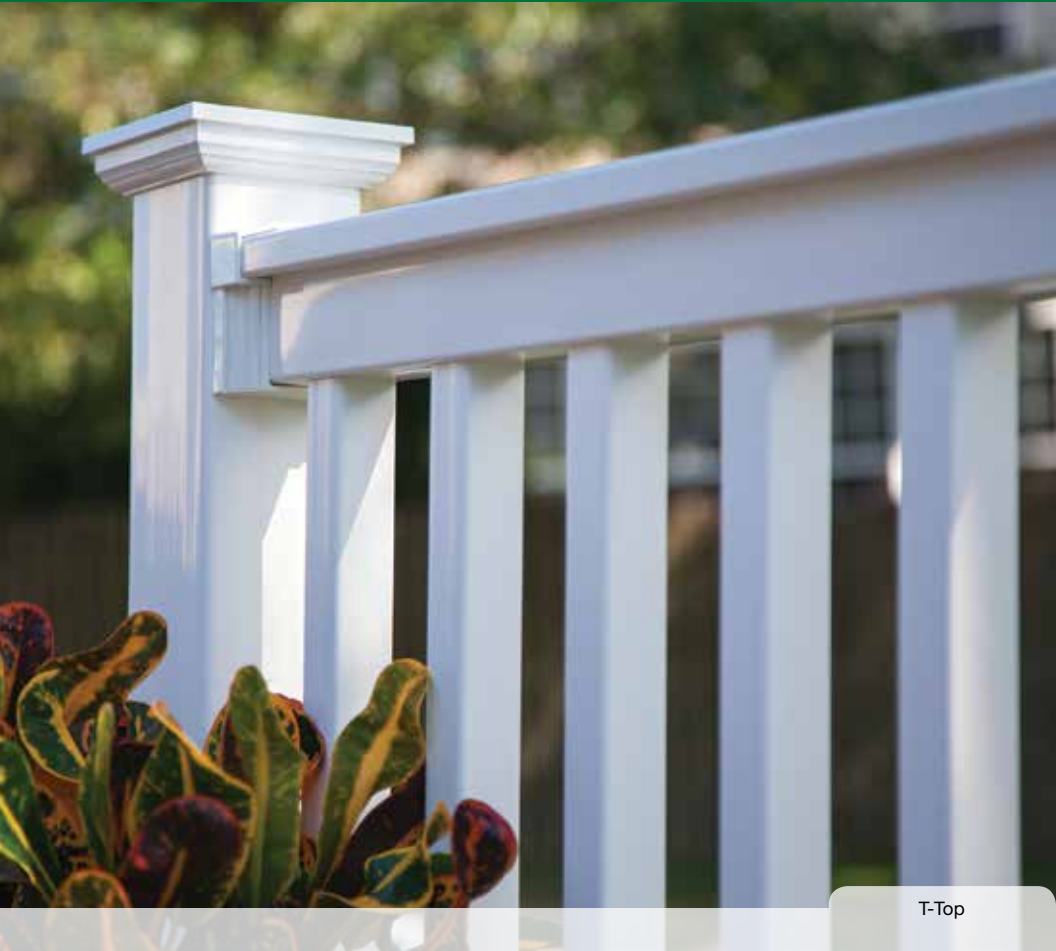

## ActiveYards Railing

ActiveYards railing, low-maintenance vinyl reinforced with strong aluminum, adds an attractive look to your home while providing exceptional security. Our T-top railing offers strength, durability and safety. Our Deck Top railing adds convenience and function to an already strong and beautiful railing.

Our railing has been tested, and proven to comply with IRC & IBC specifications as determined by ATI evaluation testing. Each style is offered in a railing and stair kit to fit your needs whether you are completing the perfect project or complementing your home.
